TERMS & CONDITIONS

Please read before signing the completed form.

Bookings

All bookings are subject to availability.

Taster day must be paid in full at time of booking.

A booking is not confirmed until minimum payment has been received. A 25% payment will act as deposit which, in the event of cancellation, is non-refundable. A booking is confirmed when the payment and completed booking form are received by The Aqua Sports Company. The balance payment must be received no later than one month before sailing date. The Aqua Sports Company reserves the right to reallocate course places if the balance payment has not been received. The 25% deposit is non-refundable. Bookings made within one month of the sailing date require full payment.

Cancellation / Scheduling

Client cancellations must be made in writing, a 25% cancellation fee will be retained if the cancellation is made up to one month before sailing date. The Aqua Sports Company reserves the right to retain the total fee if the client cancels within 3 weeks of the sailing date. The Aqua Sports Company reserves the right to cancel the booking due to circumstances beyond its control. In this event the client will be informed as soon as possible and alternative course dates offered. Should these be inconvenient for the client, any payments made will be refunded. In the event that course minimum numbers are not met the course will be rolled over to a mutually convenient date. The Aqua Sports Company reserves the right at any time and for any reason to modify or change the schedule, itinerary, type of yacht and training programme.

Sailing Area & Sea Time

Sailing area is the Solent and surrounding sea (Poole to Chichester), and across the Channel. Every effort will be made to give the student as much variation and time at sea as possible, subject to weather conditions and the skipper's judgment. Late return - if, for whatever reason, the yacht is delayed in returning to the home port, clients may stay on board free of charge or return home by alternative transport at their own expense.

Duties On Board

The skipper's decision will be final. The client accepts the absolute authority of the skipper at all times and in all matters relating to the running of the yacht. All students will be expected to take part in the domestic duties and routine maintenance while on board, and help with the final day boat cleaning as directed by the skipper. This constitutes part of the course.

Insurance

The Aqua Sports Company has full public liability insurance which covers all activities operated by the company. Personal insurance against loss, damage, injury or accident whilst visiting the site is the responsibility of the client. The Aqua Sports Company accepts no liability for any loss, damage, injury or accident which is the result of negligence on the part of the client, however caused. All participants are strongly advised to take out suitable personal travel insurance that covers cancellation, personal accident, personal liability, etc. Please ensure that the policy covers sailing. We can advise of suitable brokers.

Medical Conditions

Anyone suffering from any medical condition must notify The Aqua Sports Company prior to booking and again on arrival for the course. Whilst such medical conditions may not necessarily prevent you from taking the course, The Aqua Sports Company can accept no responsibility for injury or accident which resulted from any client's medical condition. It is important that we know of any special medical needs you may have. Certain medical conditions will need extra care on board and could lead to any certificates carrying an endorsement. If you have any questions please call us or check with your GP. Also, please check with your GP before taking any sea sickness remedies. Please give details of any medical conditions.
