

Accommodation

Hotel rooms are £35 per person per night based on two or £33 if three people sharing. We are using the same hotel as last year as they did a good job for us then. However, there is only one single room and a double bed room (£40) so please contact Sam if you require single occupancy.

Windsurfing

People are expected to have their own equipment for this trip. Over the course of the weekend there will be coaching sessions covering a range of skills from waterstarts and tacking to blasting control and carve gybes. The sessions will be tailored to the conditions that we get. Sessions include video coaching and feedback as well as the provision of safety cover. In order to cover the cost of these there will be additional charges as follows. We have the capacity of covering a total of 12 people on the coaching clinics. Please indicate your requirements from the list below.
